

South Grant Park

# WE WANT YOUR IDEAS!

## DO YOU WANT TO HELP SHAPE THE FUTURE OF SOUTH GRANT PARK?

Join us for an open discussion and share your ideas for improving South Grant Park and the South Loop community. We need your help!

Based on the quickly developing South Loop and increasing density forecasted for the area, public spaces are becoming much more of an amenity to the community. NSPB is hosting a public input session to gather ideas from YOU regarding opportunities for improvements for the southwest corner of Grant Park at the intersection of Michigan Avenue and Roosevelt Road.

Currently housing Magdalena Abakanowicz's Agora Sculpture, this forgotten area serves as a catch all space for numerous public events. Unlike the north end of Grant Park, which holds Millennium Park as an anchor, this south corner is unfinished and holds enormous opportunity.

**WHEN:** Monday, May 7, 6:00-8:00 pm

**WHERE:** Hilton Chicago, 720 S. Michigan Ave  
Marquette Room, 3rd Floor

**WHO:** Residents and business owners in the South Loop!

### RSVP & ADDITIONAL INFORMATION:

To RSVP and learn more about the event, including how to share your ideas if you can't attend in person, visit: [thenspb.com](http://thenspb.com)

HOW TO PARTICIPATE

Sponsored by:

Near South Planning Board is a not-for-profit community based organization serving businesses, property owners, developers, and institutions for over 70 years. Our mission is to plan, guide and support a program of development for the near south area of the City of Chicago.
